

Using Zillow® To Sell Your Home

Approximately 9 million people visit Zillow each month!

Marketing for your home includes:

- Multiple photos
- Creative home description
- Pricing information
- Open house details

I will be in immediate communication with buyers interested in your home, since they can e-mail or call me directly through information on your home's listing on Zillow.

Together, we'll monitor performance for your listing through reporting and traffic counters.
